Highbury Pools

Highbury Pools Ltd. is the leading manufacturer of inground swimming pool liners. We invite you to enjoy our 2015 collection of quality inground swimming pool liner patterns. Our impressive collection consists of a variety of prints, guaranteeing that you will find one special for your backyard oasis.

Our exclusive superior welding technology Invisiseal will help reduce the visibility of weld lines and improve weld strength and appearance compared to conventional radio frequency welding. Now celebrating 6 years of welding with Invisiseal.

Highbury's ground-breaking PicSURE Measuring System generates an accurate 3D model of your pool for exceptional fitting liners. Ask your dealer how!

Every one of our inground liners is backed by our lifetime warranty giving you piece of mind, leaving you free to enjoy your pool.

Packaged in each liner carton are: "No Diving" labels; a warranty card; and a weather-resistant sign to be posted near your pool. "No Diving" signage must be installed on the coping around the perimeter of your pool. "Caution" signage must also be affixed to the steps. **KEEP YOUR EYE ON THE CHILDREN.** Continually supervise the swimmers in your pool. **USE THE SAFETY ROPE.** The safety rope and floats should be attached at all times. Any use of diving boards, diving equipment or slides must be in strict compliance with the equipment manufacturer's specifications, the Association of Pool and Spa Professionals standards, and local building codes and regulations. We recommend removal of such items that do not comply. Consult your dealer for sizes and specifications. Liner patterns and colour depicted in this brochure are representative of the actual liner material; however, variations in colour and shading may occur.
